In-Ground Swimming Pool Submittal Checklist

Jobsite Address:

PLEASE READ: Please place a checkmark in the Applicant Submitted/Applicant to Check sections by all items that are included in the submittal and a N/A by those items not applicable. All items must be addressed for a complete submittal. (Please note this checklist is a guideline for minimum submittal requirements necessary for the review of proposed construction and permit application. Specific work may require additional documentation. All work must demonstrate compliance with current codes and standards.)

DOCUMENTS REQUIRED FOR SUBMITTAL

Building Dept. Use Only.	Applicant Submitted	
		Application Packet: Completed Application, Project Contact Information, Pool Excavation Disposal Statement, Grading and Erosion and Sedimentation Control Statement, and Owner Builder Verification (if applicable)
		Pool Plans: Two Sets of Pool Plans with specifications.
		Plot Plans: Two sets of Plot Plans indicating, to scale, all property line dimensions
		Erosion & Sediment Control Plans : Two sets of Erosion & Sediment Control Plans
		Steel Schedules: Two Sets of Current Steel Schedules (please call for approved schedules). Schedules must be originally signed, sealed and dated by a California registered Engineer.

ITEMS TO BE SHOWN ON PLOT PLANS

(Please note plot plans must be to scale.)

Building Dept. Use Only	Applicant To Check	
		Setbacks: Pools/Spas (3' side, 3' rear, 5' remaining side) Pool Equipment (3' equipment, 4' to vent on gas pool heating equipment)
		Easements: Indicate all easements within property lines, if applicable
		Oak Trees: Indicate all oak trees on plot plans, if within path of access or rear yard area.
		Pool Barrier Method: Indicate Pool Barrier (Plot plan to specify enclosure, safety cover or pool alarms)
		Fencing: Indicate perimeter fence material & height at all sides (5' minimum height) with self-closing, self-latching gates

Submitted with my permit application. I fully understand that if the minimum requirements, documents, and plans have not been met, the review, processing and ssuing of my permit may take additional time.
